

**Supplier Declaration of Conformity to European Union Directive:  
1907/2006 – REACH**

To our valued customers –

In regards to the Regulation (EC) N° 1907/2006, issued by the European Union for the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH), please be aware that:

- Madge Tech products do not contain substances meeting the criteria as described in Annex XVII of the EU regulation 1907/2006, updated in June 2022.
- Madge Tech routinely monitors its products for content of Substances of Very High Concern (SVHC), as identified by the European Chemicals Agency (ECHA) on the “Candidate List” found in Annex XVII of the EU regulation 1907/2006.
- Madge Tech communicates with our suppliers to assure they are in compliance with the REACH regulation.

In the event we are required to update this declaration we will formally notify you.
